WINDYL MONTON

Full-Stack Web Developer | Aspiring Software Engineer

0985-430-5429 | windylmonton2@gmail.com | linkedin.com/in/windylmonton | github.com/Arch-ZeroOne

PROFESSIONAL SUMMARY

Full-stack web developer with hands-on experience building RESTful APIs, automating CI/CD deployments, and shipping production-ready applications with React and Node.js. Currently working as an Associate Developer while expanding into machine learning, automation, and mobile development. Programming Wars Champion recognized for strong problem-solving under pressure, with a track record of turning ideas into software people actually use.

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, PHP, Java

Frontend: React, Next.js, HTML5, CSS3, Tailwind CSS

Backend: Node.js, Express.js, Axios, REST APIs

Databases & ORM: PostgreSQL, MySQL, Supabase, Firebase, Prisma

Tools & Platforms: Git, GitHub, VS Code, Render (CI/CD)

Currently Exploring: Machine learning fundamentals, bots & automation, web scraping, browser extensions, Flutter

EXPERIENCE

Associate App Developer — Confidential — Startup Company *August 2026 – Present*

- Contributing to the development of a mobile application at an early-stage startup, collaborating with the team on feature delivery (project details confidential).
- Building app functionality using Flutter, ramping up quickly as a new framework while applying existing full-stack fundamentals (React, Node.js/Express, PostgreSQL, Prisma) to backend and data-layer work.

PROJECTS

Stride — Point of Sale System — React, Node.js, Express.js, PostgreSQL, Render, Axios *2025*

- Built full CRUD functionality backed by RESTful APIs and optimized database queries, improving data-management efficiency by ~40%.
- Designed and configured a CI/CD pipeline on Render, cutting deployment time by ~75% and deployment failures by ~60%.

Movie Search App — React, Axios, TMDB API *2025*

- Built a responsive frontend consuming the TMDB API to deliver movie search, trailers, and personalized recommendations.

Personal Portfolio Website — React, Tailwind CSS *2025 – Present*

- Designed and built a personal portfolio to showcase projects and technical skills to potential employers and collaborators.

LEADERSHIP & INVOLVEMENT

Vice President — IITSO Organization, Banay-banay Campus *[Start Date] – Present*

- Lead the Information Technology Students' Organization, coordinating events and initiatives for IT students on campus.

EDUCATION

Bachelor of Science in Information Technology — Davao Oriental State University — Banay-banay Campus *Present*

AWARDS & HONORS

- Programming Wars Champion — DOrSU–IITSO Org (March 2026): 1st place in a campus-wide programming competition against fellow IT students.
- Speaker, AI Convocation for Students — DOrSU (December 2025): Invited speaker on AI's limitations and safe usage for a student audience.
